

LPA RECEIVERSHIPS

We focus on our clients' best interests and our service team will support you throughout the appointment; giving advice from the initial call, advising you on the most appropriate cover for the risk and working with you to mitigate the insurance premium costs.

Bespoke

The Willis Insolvency Open Cover Facility provides 30 days automatic cover for most appointments.

Cover

Reinstatement cover can be provided for most unoccupied properties which comply with the Code of Practice.

We can provide up to £12,500,000 Property Insurance any one location and £5,000,000 Property Owner's Liability on the facility. Cover can be arranged above these limits on request.

We also offer Engineering Inspection services to ensure compliance with statutory inspection requirements. For example, passenger lifts in a block of flats require statutory inspection.

Flexibility

Payment terms are flexible and payment is not required until case closure when assets are sold.

You only pay for what you use – the period of cover is pro rata for all cases; there are no minimum periods of cover.
