

THE GLOBAL BLOODSTOCK INSURANCE SPECIALIST

Willis

THE GLOBAL BLOODSTOCK INSURANCE SPECIALIST

WHO ARE WILLIS?

Willis are a global insurance broker with over 400 offices in 120 countries worldwide. Willis have a specialist bloodstock division based in London, that has been dealing with bloodstock insurance for over 50 years and has unparalleled experience in this sector.

Through our network of Willis offices, the Willis bloodstock division is able to arrange comprehensive and competitive bloodstock insurance solutions for clients almost anywhere around the globe and are proud to be the broker of choice for many of the world's leading stud farms and owners.

WHY CHOOSE WILLIS?

There are many reasons why we believe that your bloodstock insurance interests would be best served through Willis:

VALUE

We have fostered relationships over many years and deal with specialist insurers who understand the bloodstock industry and the needs of our clients. The quality of the business we place, our market relationships, and our specialisation give us the ability to obtain highly competitive terms and comprehensive coverage on behalf of our clients.

By virtue of our global presence and the fact that Willis place approximately USD 45 billion of premium into the global insurance market each year, we can access insurers that are unavailable to our competitors. This means that we are able to provide a better range of options and in many cases more competitive quotes.

“

THE QUALITY OF THE BUSINESS WE PLACE, OUR MARKET RELATIONSHIPS AND OUR SPECIALISATION GIVE US THE ABILITY TO OBTAIN HIGHLY COMPETITIVE TERMS AND COMPREHENSIVE COVERAGE ON BEHALF OF OUR CLIENTS.

”

EXPERIENCE

The Willis bloodstock division has extensive experience in the specialist area of bloodstock insurance. Our longevity is testament to our enduring commitment to the changing needs of our clients, both new and old. We constantly strive to provide innovative and cost effective insurance solutions for a range of satisfied clients around the globe.

INNOVATION

The increasingly global nature of the bloodstock insurance industry and the diverse requirements of our worldwide clientele mean that we are at the forefront of product development and are able to provide policies that are specifically tailored to the budget and requirements of each client.

In a world where business can now be transacted virtually seamlessly across continents, the insurance intermediary must be able to add value over and above the traditional role. We have made significant investments in technology to deliver a truly efficient and streamlined service for our clients.

SECURITY

The Willis Market Security Department constantly monitors the financial strength of all our markets. Whilst brokers cannot guarantee the solvency of any insurers, the strength of the Willis Market Security Department is vital to helping our clients select the best security available to meet their requirements.

CLAIMS SERVICE

The true test of insurance is ultimately how quickly and effectively it reacts when you need to make a claim. We endeavour to ask the right questions of our clients before any policy is taken out and we work closely with all parties including vets, loss adjusters and insurers in order to ensure prompt agreement and payment of claims.

“

THE TRUE TEST OF INSURANCE IS ULTIMATELY HOW QUICKLY AND EFFECTIVELY IT REACTS WHEN YOU NEED TO MAKE A CLAIM. WE WORK CLOSELY WITH ALL PARTIES IN ORDER TO ENSURE PROMPT AGREEMENT AND PAYMENT OF CLAIMS.

”

PRODUCTS

Willis deals with the placement of insurance for all types of high value horses. Whether you have racing animals, broodmares, stallions, youngstock, dressage horses, showjumpers or horses involved in any other discipline, we are able to tailor a policy best suited to your individual needs.
